

# IT Suite Rules

*Kindly follow these important IT Suite Rules*

- Only 1 person using each computer at a time
- Do not view or download inappropriate or offensive sites, images or pages
- Children under the age of 9 must be supervised by an adult (who is there in a supervisory capacity only)
- No food or drink
- No inappropriate language
- No excessive noise

*We thank you for your cooperation. If anyone does not follow these rules they may be asked to leave and banned from future computer use.*
